On behalf of myself, and the members of the North Jersey Regional Crime Prevention Officers Association, we would like to thank you for a very informative and interesting training seminar on C.A.T. Eyes Anti-Terrorism.

TRUSTEES

Det. Al Hoffman

As you mentioned in your training, the United States Military can not end terrorism, alone. They need the help of all Americans, especially those in Law Enforcement. Officers need to get involved, informed and trained on how to deal with terrorism and those who encourage it.
