Dear Col. Licatta,

On behalf of the Greater Los Angeles Area and the San Francisco Bay Area Federal Executive Boards, we are writing to thank you for your participation in our 2007 Executive Leadership Conference held in San Diego June 25-28, 2007.

Based on the evaluations received, our conference received an average rating of 4.83 (out of a possible 5). We are thrilled with the feedback we received on the conference overall, but this would not have been possible without your willingness to give of your time and insights. Your presentation on Terrorism Awareness and Survival was an essential part to the overall success of the conference. The speakers make the conference the success that it was:

- Anti-Terrorism (Cat Eyes) brief was great.
- Great speakers loved it and learned a lot.
- Speakers were outstanding and the material was practical and topical.
- All presenters were well versed and interesting and met assigned times.

We appreciate your support of our Federal Executive Boards and hope that you also benefited from the time you spent with us and we look forward to working with you on projects in the future.

Kindest Regards,

Theresa Camiling
